

513.200 Payment process and beneficiary cost-sharing.

(a) General. For purposes of the MFN Model, the allowed MFN Drug Payment Amount does not exceed the billed amount on the claim for the MFN Model drug.

(b) Model-specific billing instructions. MFN participants submit claims for MFN Model drugs to the applicable MAC in the form and manner specified by CMS in model-specific billing instructions.

(c) Beneficiary cost-sharing. Beneficiary coinsurance does not apply to the portion of the allowed payment amount for an MFN Model drug that is determined under § 513.220.
