

424.109 Payment to the beneficiary.

Medicare pays the beneficiary for emergency services if the following conditions are met:

- (a) The hospital does not have in effect an election to claim payment.
- (b) The beneficiary, or someone on his or her behalf, submits -
 - (1) A claim that meets the requirements of § 424.32;
 - (2) An itemized hospital bill; and
 - (3) Evidence requested by CMS to establish that the services meet the requirements of this subpart.
