

## **G982**

**(Rev. 182, Issued: 09-28-18, Effective: 09-28-18, Implementation: 09-28-18)**

### **§484.105(f) Standard: Services furnished.**

**484.105(f)(1) Skilled nursing services and at least one other therapeutic service (physical therapy, speech-language pathology, or occupational therapy; medical social services; or home health aide services) are made available on a visiting basis, in a place of residence used as a patient's home. An HHA must provide at least one of the services described in this subsection directly, but may provide the second service and additional services under arrangement with another agency or organization.**
