Provider Information Notice (PIN) Summary

PIN 22-10-CCLD releases the updated estimated Social Security Income (SSI) and State Supplementary Payment (SSP) payment standards effective January 1, 2023 for Non-Medical Out-of-Home Care (NMOHC) - Licensed Facility or Without In-Kind Room and Board.

The attached chart presents a summary of the SSI/SSP Payment Standards, and the specific components thereof, effective January 1, 2023.

The Evaluator Manual, [Appendix C - SSI/SSP Payment Standards Effective 1/1/2023](#), has been revised to incorporate the new SSI/SSP Payment Standards.

Non-Medical Out-of-Home Care (NMOHC)
Payment Standard for Individuals-Licensed Facility or
Without In-Kind Room and Board
Effective January 1, 2023

Source	Amount
Supplemental Security Income (SSI)	\$ 914.00
State Supplementary Payment (SSP)	<u>\$ 578.82</u>
Total NMOHC Payment Standard	\$ 1,492.82*

The NMOHC Payment Standard includes the following components:

Component	Amount
Room and Board	\$ 646.82
Care and Supervision (maximum)	<u>\$ 678.00</u>
Amount Payable for Basic Services	<u>\$1,324.82¹</u>
Personal and Incidental Needs Allowance (minimum) (Must be provided to the recipient)	<u>\$ 168.00</u>
Total NMOHC Payment Standard	\$1,492.82*

*This total NMOHC payment standard is doubled for SSI/SSP couples.

¹NOTE: Recipients who have income in addition to their SSI/SSP check (for example, a pension, Social Security retirement, or disability benefits) can be charged the \$1,324.82 amount for basic services plus an additional \$20. Because federal rules do not count the first \$20 of a recipient's income against his/her SSI/SSP grant, an SSI/SSP recipient with other income has an extra \$20 that people who receive only an SSI/SSP check do not have. Neither federal nor state law restricts the recipient in how this additional \$20 amount is spent. Thus, if the recipient agrees in the admission agreement to pay the additional \$20 for basic services, the facility may charge the additional amount.
