

449.27827 Requirements for employees

1.

Employees of a referral agency must have a working knowledge of the provisions of NRS and NAC that govern the licensing of group housing arrangements.

2.

An employee of a referral agency who is not licensed as a nurse, social worker, physician or physician assistant shall not gather any information needed to complete a needs assessment or financial assessment of a client, or engage in the process of referring a client to a group housing arrangement.
