

449.0183 Report of change in ownership, address or staff of program of hospice care

An applicant for a license to administer a program of hospice care or a person licensed to administer such a program shall immediately advise the Division of any change in:

1.

The ownership of the program;

2.

The address of the principal office of the program; or

3.

The membership of the staff which prevents the program from providing adequate hospice care to each patient.
