

449.61264 Evaluation of application for approval

1.

The Division will evaluate the application to determine whether it conforms with the requirements of NAC 449.6126 to 449.6127, inclusive. If the Division finds that the application is incomplete, it will inform the applicant which parts of the application are deficient.

2.

If the application is found to be complete and in compliance with the provisions of NAC 449.6126 to 449.6127, inclusive, approval will be given to the hospital, effective for 5 years.
