

449.Sec. 21.1 NEW

1.

Not later than 24 hours after the death of a pregnant person, a person who has given birth or a newborn at a freestanding birthing center, the director of the freestanding birthing center or a designee thereof shall notify the Division of the death.

2.

The director of a freestanding birthing center shall establish a procedure to ensure the provision of appropriate counseling to a member of the staff of the freestanding birthing center, a pregnant person, a person who has given birth or a member of the family of a pregnant person or person who has given birth who is affected by a death at the freestanding birthing center.
