## **449.5775 Documentation of successful completion of program of training; employment by another facility**

### **1.**

A facility shall issue to each dialysis technician who successfully completes a program of training and receives an evaluation of his or her competency provided to him or her by the facility pursuant to the provisions of NAC 449.5705 to 449.5775, inclusive, a document indicating that the dialysis technician has successfully completed the program of training.

### **2.**

Each document issued pursuant to the provisions of subsection 1 must include a statement indicating that the program for which the document is issued satisfies the requirements of NAC 449.5705 to 449.5775, inclusive.

### **3.**

A document issued pursuant to the provisions of subsection 1 may be accepted by any other facility that employs the dialysis technician. The document may be accepted only for 6 months after the date on which the document is issued. If the dialysis technician is employed by any other facility after that date, the dialysis technician shall obtain from the facility that employs the dialysis technician a written list concerning his or her knowledge and skills prepared in accordance with the provisions of NAC 449.5745.
