

449.01685 Division authorized to charge and collect fee from licensee to recover costs of investigating complaint if complaint is substantiated

1.

The Division may charge and collect a fee from any licensee who is involved in a complaint submitted to the Division to recover the costs of investigating the complaint after the investigation is completed and the complaint is substantiated. The fee will be based upon the hourly rate established for each surveyor of health facilities as determined by the budget of the Division.

2.

As used in this section, "substantiated" means supported or established by evidence or proof.
