Section 449.7473@ Location to which license applies; persons named in license; restrictions on use of license

449.7473 Location to which license applies; persons named in license; restrictions on use of license

1.

Each license is separate and distinct and is issued to a specific person to operate a nursing pool at a specific location. A nursing pool must be operated and conducted under the name and within the area of service designated on the license. The name of the person who is designated as responsible for its conduct must appear on the face of the license.

2.

A separate license is required for each nursing pool owned and controlled by a central organization, corporate entity or home office, but operated and directed by governing and administrative bodies separate from the central organization or any other unit owned and controlled by the central organization.
