Section 449.831@ Required certifications and courses for employee or independent contractor who provides services

449.831 Required certifications and courses for employee or independent contractor who provides services

Each employee or independent contractor of a provider who provides services must:

1.

Be currently certified in standard first aid through a course from the American Red Cross or American Heart Association or their successor organizations or, if the applicant submits proof that the course meets or exceeds the requirements of the American Red Cross or the American Heart Association or their successor organizations, an equivalent course in standard first aid; and

2.

Have successfully completed a course in cardiopulmonary resuscitation according to the guidelines of the American Red Cross or American Heart Association or their successor organizations.
