Section 205.6@ Function of building

## **205.6 Function of building**

### **(a)**

No part of a building may be used for a purpose which interferes with or jeopardizes the health and safety of residents. Special authorization shall be given by the Department's Division of Nursing Care Facilities if a part of the building is to be used for a purpose other than health care.

### **(b)**

The only persons who may reside in the facility shall be residents, employees, the licensee, the administrator or members of the administrator's immediate family.
