Section 211.11@ Resident care plan

211.11 Resident care plan

(a)

The facility shall designate an individual to be responsible for the coordination and implementation of a written resident care plan. This responsibility shall be included as part of the individual's job description.

(b)

The individual responsible for the coordination and implementation of the resident care plan shall be part of the interdisciplinary team.

(c)

A registered nurse shall be responsible for developing the nursing assessment portion of the resident care plan.

(d)

The resident care plan shall be available for use by personnel caring for the resident.

(e)

The resident, when able, shall participate in the development and review of the care plan.
