Section 61-17.800.803@ Individual Care Plan (ICP) (II)

61-17.800.803 Individual Care Plan (ICP) (II)

A.

The facility shall develop an ICP with participation by, and as evidenced by the signatures of the resident or responsible party, or documentation that the facility attempted to obtain the signatures, and an interdisciplinary team of qualified individuals, within twenty-one (21) days of admission. The ICP shall be reviewed and/or revised as changes in resident needs occur, but not less than quarterly by the interdisciplinary team.

B.

The ICP shall describe: 1. The needs of the resident, including the services that are to be furnished, for example, what assistance, how much, who will provide the assistance, how often, and when; 2. Advance directives and healthcare power-of-attorney, as applicable; 3. Recreational and social activities that are suitable, desirable, and important to the resident; 4. Dietary needs and preferences of resident as approved by a physician; 5. Discharge planning, to include assessing continuing care needs and developing a plan designed to assure the resident's needs will be met after discharge or transfer.

1.

The needs of the resident, including the services that are to be furnished, for example, what assistance, how much, who will provide the assistance, how often, and when;

2.

Advance directives and healthcare power-of-attorney, as applicable;

3.

Recreational and social activities that are suitable, desirable, and important to the resident;

4.

Dietary needs and preferences of resident as approved by a physician;

5.

Discharge planning, to include assessing continuing care needs and developing a plan designed to assure the resident's needs will be met after discharge or transfer.
