Section 61-17.1500.1505@ Continuity of Essential Services (II)

## **61-17.1500.1505 Continuity of Essential Services (II)**

There shall be a written plan to be implemented to assure the continuation of essential resident support services for such reasons as power outage, water shortage, or in the event of the absence from work of any portion of the workforce resulting from inclement weather or other causes.
