Section 61-17.1900.1902@ Codes and Standards (II)

## **61-17.1900.1902 Codes and Standards (II)**

### **A.**

Facility design and construction shall comply with provisions of the codes officially adopted by the South Carolina Building Codes Council and the South Carolina State Fire Marshal.

### **B.**

Unless specifically required otherwise in writing by the Department, all existing facilities shall meet the construction codes and regulations for the building and its essential equipment and systems in effect at the time the accepted construction documents were professionally stamped and issued.

### **C.**

Any facility that closes, has its license revoked, or surrenders its license and applies for re-licensure at the same site shall be considered a new building and shall meet the current codes, regulations, and requirements for the building and its essential equipment and systems in effect at the time of application for re-licensing.
