Section 61-17.2600.2610@ Handrails and Guardrails (II)

## **61-17.2600.2610 Handrails and Guardrails (II)**

### **A.**

A facility shall provide handrails on at least one (1) side of each corridor.

### **B.**

A facility shall provide guardrails forty-two (42) inches high on all porches, walkways, and recreational areas (such as decks) elevated thirty (30) inches or more above grade in compliance with provisions of the codes officially adopted by the South Carolina Building Codes Council and the South Carolina State Fire Marshal.
