

44_73_03_02 General fire safety

Each facility covered under this article shall be constructed, arranged, equipped, maintained, and operated to avoid undue danger to the lives and safety of its occupants from fire, smoke, fumes, or resulting panic during the period of time reasonably necessary for escape from the structure in case of fire or other emergency. The fire alarm system shall be sounded each month. At least two staff members shall be on duty at all times. In a multilevel facility, at least one staff member shall be on duty on each floor containing occupied beds.
