

## **44\_73\_07\_15 Nutritional assessments**

A registered dietitian shall ensure a nutritional assessment is completed on each new resident upon admission; any resident having a significant change in diet, eating ability, or nutritional status; monthly for any resident receiving tube feedings; and on any resident with a disease or condition that puts the resident at significant nutritional risk. A monthly tube feeding assessment shall include nutritional adequacy of calories, protein, and fluids. An annual assessment shall be completed for each resident.
