Section 12VAC5-371-60@ On-site inspections

## **12VAC5-371-60 On-site inspections**

### **A.**

The licensing representative shall make unannounced on-site inspections of the nursing facility. The licensee shall be responsible for correcting any deficiencies found during any on-site inspection. Compliance with all standards will be determined by the OLC.

### **B.**

The licensee shall make available to the licensing representative any necessary records.

### **C.**

The licensee shall also allow the licensing representative to interview the agents, employees, residents, family members, and any person under its custody, control, direction or supervision.

### **D.**

After the on-site inspection, the licensing representative shall discuss the findings of the inspection with the administrator or designee.

### **E.**

As applicable, the administrator shall submit an acceptable plan for correcting any deficiencies found during an on-site inspection.

### **F.**

The administrator will be notified whenever any item in the plan of correction is

determined to be unacceptable.

**G.**

The administrator shall be responsible for assuring the plan of correction is implemented and monitored so that compliance is maintained.
