

388-97-2080 Fire standards and approval, and other standards

The nursing home must:

(1)

Conform to at least the minimum standards for the prevention of fire, and for the protection of life and property against fire, according to the International Fire Code, RCW 19.27.031, the federal Life Safety Code, 42 C.F.R. 483.70(a), and additional state requirements in chapter 212-12 WAC; and

(2)

Comply with all other applicable requirements of state and federal law.
