Section 70706.1@ Granting of Nonphysician Privileges

70706.1 Granting of Nonphysician Privileges

(a)

Registered Nurses. The Committee on Interdisciplinary Practice shall be responsible for recommending policies and procedures for the granting of expanded role privileges to registered nurses, whether or not employed by the facility, to provide for the assessment, planning, and direction of the diagnostic and therapeutic care of a patient in a licensed health facility. These policies and procedures will be administered by the Committee on Interdisciplinary Practice which shall be responsible for reviewing credentials and making recommendations for the granting and/or rescinding of such privileges.

(b)

Physician's Assistant. A physician's assistant who practices in a licensed facility shall be supervised by a physician approved by the Division of Allied Health Professions of the Medical Board of California who is a member of the active medical staff of that facility. Physician's assistants shall apply to and be approved by the Executive Committee of the medical staff of the facility in which the physician's assistant wishes to practice.
