

180.7 – MAO Rights

(Rev. 121, Issued: 04-22-16, Effective: 04-22-16, Implementation: 04-22-16)

The MAO is not required to provide care that conflicts with an advance directive. The MAO is not required to implement an advance directive if, as a matter of conscience, the MAO cannot implement an advance directive and state law allows any health care provider or any agent of the provider to conscientiously object.
