

## **300.7 - Additional Processing Instructions**

**(Rev. 4, 10-01-01)**

For further information on how to implement this Medicare secondary payer provision, refer to §§3407.2 - 3417.2 of the Intermediary Manual. These sections include information regarding the method of calculating Medicare secondary payments, contested WC claims, lump sum commutations of future benefits, and the effect of a lump sum compromise settlement.
