

## **80.2 - Disclosure of Physician Incentive Plans**

**(Rev. 67, Issued: 08-12-05; Effective: 08-01-05)**

### **Disclosure to CMS**

Each organization will provide assurances satisfactory to the Secretary that physician incentive plan requirements are met. MA organizations must provide to CMS information concerning physician incentive plans as requested.

### **Disclosure to Medicare Beneficiaries**

Each MA organization must provide the following information to any Medicare beneficiary who requests it:

1. Whether the MA organization uses a physician incentive plan that affects the use of referral services;
2. The type of incentive arrangement; and
3. Whether stop-loss protection is provided.

In addition, MA organizations that are included in the Consumer Assessments of Health Plans Study (CAHPS) Survey should give Medicare enrollees a copy of the CAHPS enrollment survey results available on the [www.medicare.gov](http://www.medicare.gov) website or direct enrollees to where on the website CAHPS survey results for their plan may be found.
