

L648

(Rev. 210; Issued:02-03-23; Effective:02-03-23; Implementation:02-03-23)

§418.100 Condition of Participation: Organization and administration of services.

The hospice must organize, manage, and administer its resources to provide the hospice care and services to patients, caregivers and families necessary for the palliation and management of the terminal illness and related conditions.
