

L850

(Rev. 210; Issued:02-03-23; Effective:02-03-23; Implementation:02-03-23)

§418.110(n)(10) - Physician, including attending physician, training requirements must be specified in hospice policy. At a minimum, physicians and attending physicians authorized to order restraint or seclusion by hospice policy in accordance with State law must have a working knowledge of hospice policy regarding the use of restraint or seclusion.
