**(1) For all completed assessments, transmit OASIS data in a format that meets the requirements of paragraph (d) of this section.**

**Interpretive Guidelines §484.45(c)(1)**

Successful transmission of OASIS data is verified through validation and feedback reports from *iQIES*. *Although not required by the regulation, it is recommended that the HHA keep copies of the electronic validation records, that indicate transmission was successful, for twelve months, or until the next set of reports are available. The validation reports may be needed as evidence if the HHA receives a denial from the Medicare Administrative Contractor (MAC) for missing OASIS assessments.*
