W349

(Rev. 135, Issued: 02-27-15, Effective: 04-27-15, Implementation: 04-27-15)

§483.460(e)(2) If appropriate, dental professionals must participate, in the development, review and update of an individual program plan as part of the interdisciplinary process either in person or through written report to the interdisciplinary team.

## Guidance §483.460(e)(2)

Reports of dental care may be submitted to the IDT for inclusion in their discussions surrounding either development of the plan or update to the plan. This includes procedures a client may have had or be having during the plan development period, such as root canal or singular extractions. Actual attendance at the IDT meeting by the dentist may be left to the request of the IDT.
