§483.440(d)(2) The facility must develop an active treatment schedule that outlines the current active treatment program and that is readily available for review by relevant staff.

Guidance §483.440(d)(2)

The schedule is individualized, consistent with the client's objectives, and reflects normal daily routines.

The staff working with individual clients are familiar with their daily schedules and can produce the schedule upon request.

The active treatment schedule allows flexibility and is adjusted to the needs and preferences of the client, as necessary. It's a schedule of the client's general daily plans, but can be changed.

The active treatment schedule is a functional schedule which enables client and staff to be in the right location in order to participate in the training as scheduled by the IPP.
