

**(Rev. 135, Issued: 02-27-15, Effective: 04-27-15, Implementation: 04-27-15)**

**§483.460(n)(1)** If a facility chooses to provide laboratory services, the laboratory must meet the requirements specified in part 493 of this chapter.

**Guidance §483.460(n)(1)**

If the facility performs laboratory services, it must have a current, valid Clinical Laboratory Improvement Amendment (CLIA) certificate for the types of tests it is performing.

For the purposes of this regulation, a "laboratory service or test" is defined as any examination or analysis of materials derived from the human body for purposes of providing information for the diagnosis, prevention, or treatment of any disease or impairment of, or the assessment of the health of human beings.
