

## **W338**

**(Rev. 135, Issued: 02-27-15, Effective: 04-27-15, Implementation: 04-27-15)**

**§483.460(c)(3)(v) Result in any necessary action (including referral to a physician to address client health problems).**

### **Guidance §483.460(c)(3)(v)**

The nursing staff document that referrals are made in a timely manner, if indicated, for any concerns identified. Nurses must ensure all concerns they identify are communicated and addressed appropriately, including:

- Need is fully identified in assessment;
- Appropriate referrals are made;
- Revisions are made to IPP/Medical care plan; and
- Follow-up occurs to the new plan.
