Guidance §483.440(c)(5)(i)

The training program provides clear directions to any staff person working with the client on how to implement the teaching strategies. To comply with this requirement the methodologies must be written in a clear enough manner that a substitute staff person will be able to read the methodologies and implement them without substantial differences from a regularly assigned staff person. Methodologies should be consistent across settings, such as when the client is in the day program.
