

A-0725

(Rev. 200, Issued: 02-21-20; Effective: 02-21-20, Implementation: 02-21-20)

§482.41(d)(3) - The extent and complexity of facilities must be determined by the services offered.

Interpretive Guidelines §482.41(d)(3)

Physical facilities must be large enough, numerous enough, appropriately designed and equipped, and of appropriate complexity to provide the services offered in accordance with

Federal and State laws, regulations and guidelines and accepted standards of practice for that location or service.

Survey Procedures §482.41(d)(3)

Verify through observation that the physical facilities are large enough and properly equipped for the scope of services provided and the number of patients served.

0726

(Rev. 200, Issued: 02-21-20; Effective: 02-21-20, Implementation: 02-21-20)

§482.41(d)(4) - There must be proper ventilation, light, and temperature controls in pharmaceutical, food preparation, and other appropriate areas.

Interpretive Guidelines §482.41(d)(4)

Guidance is pending and will be updated in future release.
