Subject: Third round of CMS's review of Medicare Advantage plans' online provider directories

On November 28, 2018, CMS released a report and supporting data from the agency's most recent review of the accuracy of Medicare Advantage plans' online provider directory. The report provides both aggregate and individual Parent Organization-level results. The report and data can be found at the following link: <https://www.cms.gov/Medicare/Health-Plans/ManagedCareMarketing/index.html>. Please send any questions regarding the report and data to PartCCompliance@cms.hhs.gov.
