TO: Medicare Compliance Officers, Part C and D Sponsors

FROM: Amy Larrick Chavez-Valdez
Director, Medicare Drug Benefit and C & D Data Group

SUBJECT: First Plan Preview of 2019 Star Ratings Data

This memo is to inform Part C and D sponsors that they can preview their Star Ratings data in the Health Plan Management System (HPMS) prior to display on the Medicare Plan Finder (MPF). The first plan preview will be held from August 9-17, 2018.

During this first plan preview, CMS expects Part C and D sponsors to closely review the methodology and their posted data for each measure. Sponsors should immediately alert CMS of any suspected data issues or errors in order to allow sufficient time to investigate and process any necessary data corrections.

Star Ratings assignments will not be available for the first plan preview. A second plan preview will be conducted in September and will include any revisions made as a result of the first plan preview; in addition, CMS' preliminary Star Ratings for each measure, domain, summary score, and overall score will be displayed. Medicare beneficiaries will be able to view the final Star Ratings via the MPF on www.medicare.gov in October. Data for Medicare-Medicaid Plans (MMPs) are displayed in HPMS for informational purposes only.

Instructions for Accessing Preview Data:

- To access the Part C and D Star Ratings preview in HPMS, select: "Quality and Performance," then "Performance Metrics," then "Star Ratings and Display Measures," then "Star Ratings," and then select 2019 for the report period.
- The Technical Notes for Part C and D are available via the "Technical Notes" link found within the Star Ratings module.

Changes for 2019 Star Ratings:

- As finalized in the 2019 Call Letter (<https://www.cms.gov/Medicare/Health-Plans/MedicareAdvtgSpecRateStats/Downloads/Announcement2019.pdf>), changes made since last year's Star Ratings include the addition of two new measures, the removal of one measure, the implementation of scaled reductions, and several small measure

specification updates. The hold harmless adjustments for natural disasters will be implemented for the second plan preview.

- We will continue to apply the Categorical Adjustment Index and adjustment for Puerto Rico contracts.
