Section 454(b)-6@ Election of Coverage

454(b)-6 Election of Coverage

(a) If the unemployment compensation law of any participating jurisdiction excludes maritime service from compulsory coverage but allows voluntary coverage thereof by election, the agency of such jurisdiction will cooperate by approving any election filed with it for this purpose by an employing unit in the event that such jurisdiction would be a jurisdiction of coverage under the Arrangement. The agency of any participating jurisdiction shall refrain from approving any such election in the event that it would not be a jurisdiction of coverage under the Arrangement.

(b)

The provisions of the Arrangement shall not apply to maritime service performed for any employing unit to the extent that it would not be liable for contributions under the unemployment compensation law of a jurisdiction of coverage by not employing the required number of individuals, including those in maritime service, rendering it liable therefor under the provisions of such law, unless an application by such employing unit for voluntary coverage has been approved by the agency of such jurisdiction.
