Section 4440.3@ Term Date and Start of Training

4440.3 Term Date and Start of Training

(a) The term of an ETP Agreement cannot begin prior to the date of Panel approval.

(b)

The Contractor shall not be reimbursed for the cost of training that starts prior to the term of the ETP Agreement. If the Contractor starts training before the ETP Agreement has been signed by both parties, it must nevertheless adhere to the terms and conditions set forth in the proposed ETP Agreement along with any terms or conditions imposed by the Panel and agreed to by the Contractor's representative at the time of Panel approval.
