Section 40213@ Applicant

40213 Applicant

Any agency may apply for assistance for the provision of health care services in underserved rural areas. Any existing applicant agency shall have the demonstrated ability to provide health services to medically underserved rural areas and rural populations based on:

(a)

Adequate and appropriate health personnel.

(b)

Sufficient operating expenses.

(c)

Adequate and appropriate management systems and personnel. Newly formed applicant agencies shall adequately describe appropriate methods for providing for the criteria identified above.
