Section 40541@ Criteria for Making Awards

40541 Criteria for Making Awards

(a)

A grant to a clinic shall be awarded on the following bases: (1) It is needed to maintain the current level of services and operation. (2) It is needed to maintain a clinic that has cut back services due to lack of available resources (including but not limited to staff). (3) It is needed to maintain the extent to which the clinic serves a medically underserved and/or high risk population which has limited access to health care services. (4) It is needed to maintain the clinic's long-term prospect for financial stability.

(1)

It is needed to maintain the current level of services and operation.

(2)

It is needed to maintain a clinic that has cut back services due to lack of available resources (including but not limited to staff).

(3)
