Section 41301@ Application

41301 Application

Chapter 9 shall apply wherever the local health officer determines that persons seeking first admission to any private or public elementary or secondary school, child care center, day nursery, nursery school or development center are reasonably suspected of having tuberculosis and further determines that the examination of such persons for tuberculosis is necessary for the preservation and protection of the public health.

The local health officer may make such determination based on epidemiological findings in a given area in his or her jurisdiction.
