

41510.3 After-Care Services

(a)

The county shall provide the necessary after-care services for handicapped children as the attending specialist may direct. Health supervision in the home is the joint responsibility of the family physician, public health nurses, and such community agencies as are properly concerned.

(b)

Social services shall be made available either through qualified medical social workers, child welfare workers or through such other social services workers as may be available in the county. The schools shall meet the special educational needs of handicapped children.
