Section 42000@ General Supervision

42000 General Supervision

General supervision, for purposes of reimbursement by CCS is the overall responsibility for the supervision of the total care for a CCS patient, and includes providing and/or arranging for necessary treatment and follow-up care as authorized by the CCS agency in accordance with Section 41770 . A CCS panel podiatrist may provide general supervision only if all aspects of the patient's treatment program are within the scope of podiatric licensure.
