Section 42075@ Podiatrists

42075 Podiatrists

(a)

A CCS Panel Podiatrist is a podiatrist who has been approved (in accordance with subsection (b) of this regulation) to provide services through the CCS program and who meets all of the following participating standards. (1) Is licensed by the Podiatry Examining Committee of the California Board of Medical Quality Assurance. (2) Has been certified by the American Board of Podiatric Surgery and/or the American Board of Podiatric Orthopedics. (3) Has expertise in the care of physically handicapped children as outlined in subsection (d) of this section.

(1)

Is licensed by the Podiatry Examining Committee of the California Board of Medical Quality Assurance.

(2)

Has been certified by the American Board of Podiatric Surgery and/or the American Board of Podiatric Orthopedics.

(3)

Has expertise in the care of physically handicapped children as outlined in subsection (d) of this section.

(b)

In order to be approved to provide services through the CCS program; a podiatrist must: (1) Obtain a CCS Panel Application Form (MC 2100) from either the

Department's CCS Branch or the county CCS Agency. (2) Submit the completed CCS Panel Application form (MC 2100) to the Department's CCS Branch for review.

(1)

Obtain a CCS Panel Application Form (MC 2100) from either the Department's CCS Branch or the county CCS Agency.

(2)

Submit the completed CCS Panel Application form (MC 2100) to the Department's CCS Branch for review.

(c)

The Department shall acknowledge receipt of the CCS Panel Application within five days and shall, within ten working days, approve the application, or deny it, or return it for additional information. This five to ten day medium is based upon a minimum of two days and a maximum of ten days actual experience during 1985 and 1986.

(d)

Panel members required by Section 123885 of the Health and Safety Code to have expertise in the care of children shall have at least five years of experience treating physically handicapped children, or have treated 100 or more such children.
