

50531 Foster Care Payments

(a)

Payments from any source, received by a foster parent for the care of a foster child, shall be exempt except for: (1) The portion of the payment designated by the county department for care and supervision, if such a designation is made. (2) Payments made to a foster parent when a foster child is temporarily absent from the foster home for a month or more. (3) Payments made to ensure availability of a room or rooms for foster children.

(1)

The portion of the payment designated by the county department for care and supervision, if such a designation is made.

(2)

Payments made to a foster parent when a foster child is temporarily absent from the foster home for a month or more.

(3)

Payments made to ensure availability of a room or rooms for foster children.
