Section 50820@ Eligibility Determination for Medi-Cal Special Treatment Programs

50820 Eligibility Determination for Medi-Cal Special Treatment Programs

(a)

The county department shall determine a person's eligibility for the Medi-Cal Special Treatment programs as follows: (1) Persons who apply for the Medi-Cal Dialysis Only Program or the Medi-Cal Dialysis Supplement Program shall have their eligibility determined as of the month of application. (2) Persons who apply for the Medi-Cal Parenteral Hyperalimentation Only Program or the Medi-Cal Parenteral Hyperalimentation Supplement Program on or before the last day of the second month following the month these regulations are effective shall have their eligibility determined retroactively to January 1, 1981, for months in which they otherwise meet program eligibility requirements. (3) Persons who apply for the Medi-Cal Parenteral Hyperalimentation Only Program or the Medi-Cal Parenteral Hyperalimentation Supplement Program after the last day of the second month following the month these regulations are effective shall have their eligibility determined as of the month of application.

(1)

Persons who apply for the Medi-Cal Dialysis Only Program or the Medi-Cal Dialysis Supplement Program shall have their eligibility determined as of the month of application.

(2)

Persons who apply for the Medi-Cal Parenteral Hyperalimentation Only Program or the Medi-Cal Parenteral Hyperalimentation Supplement Program on or before the last day of the second month following the month these regulations are effective shall have their eligibility determined retroactively to January 1, 1981, for months in which they otherwise meet program eligibility requirements.

(3)

Persons who apply for the Medi-Cal Parenteral Hyperalimentation Only Program or the Medi-Cal Parenteral Hyperalimentation Supplement Program after the last day of the second month following the month these regulations are effective shall have their eligibility determined as of the month of application.
