

50823 Beginning Date of Eligibility - Medi-Cal Special Treatment Programs

The beginning date of eligibility for the Medi-Cal Special Treatment Programs shall be the first of the month of application or the first of the month during which there is eligibility, whichever is later. However, the beginning date of eligibility for persons who apply for either the Medi-Cal Parenteral Hyperalimentation Only Program or the Medi-Cal Parenteral Hyperalimentation Supplement Program on or before the last day of the second month following the month these regulations are effective shall be the first of the month in which there is eligibility as determined pursuant to Section 50820 .
