

50831 Share of Cost - Medi-Cal Special Treatment Programs - Supplement Beneficiary

(a)

Services within the Medi-Cal scope of benefits, other than services covered under the Medi-Cal Special Treatment Programs--Supplement shall be subject to a share of cost.

(b)

Share of cost shall be determined in accordance with Section 50653.

(c)

Costs which are paid or obligated by the beneficiary under the Medi-Cal Special Treatment Programs--Supplement in any one month shall be applied to the share of cost for that month.

(d)

A Medi-Cal Special Treatment Programs--Supplement beneficiary, who is a member of an MFBU which has met its share of cost, shall be certified as eligible for Medi-Cal services and shall be issued a Medi-Cal card in accordance with Section 50658. Once certified for full Medi-Cal coverage, all Medi-Cal services received by a beneficiary during that month shall be covered under the provisions of the full Medi-Cal program rather than under the provisions of the Medi-Cal Special Treatment Programs--Supplement.
