

## **51000.4 Business Telephone**

"Business telephone" means the telephone number at the business address of the applicant or provider. A beeper number, answering service, biller or billing service, pager, facsimile machine, answering machine, or a cellular telephone shall not be used as the primary business telephone. A cellular telephone shall not be used as the primary business telephone, except for a provider enrolled in the Medi-Cal program pursuant to Welfare and Institutions Code Section 14043.15(b)(2).
